

Making the most of your dental coverage

1 Register

Sign up for an online member account at DeltaDentalMO.com/Members to access your benefit details, confirm eligibility, check claim status, get health and wellness information and more.

2 Find a dentist

If you need to find a dentist, check out our online directory at DeltaDentalMO.com/Members/Find-A-Dentist

3 Estimate costs

Use the dental care cost estimator at DeltaDentalMO.com/Members/Cost-Estimator to estimate cost of common dental care needs.

4 Obtain ID cards

Cards are issued in your name and may be used for dependent visits as well, if applicable. You may also access your ID card through your online member account or by downloading the Delta Dental mobile app.

5 Access the nation's largest network

Delta Dental PPO™ and Delta Dental Premier® networks significantly reduce out-of-network claims resulting in more savings.

| Missouri | Nationwide | |
|----------|------------|--|
| 89% | 75% | of dentists participate in the Delta Dental Premier network. |
| 69% | 57% | of dentists have agreed to participate in the Delta Dental Premier network and the Delta Dental PPO network. |

6 Schedule a dental visit

Oral health is a foundation for overall wellness, so regular dentist checkups are fundamental to making your smile last.

A dental cleaning will:

- ✓ Prevent cavities
- ✓ Brighten your smile
- ✓ Freshen your breath
- ✓ Boost your overall health
- ✓ Save you money
