

What networks do I have access to?

Delta Dental members have access to two networks

We offer two network options – the Delta Dental PPO™ network and the Delta Dental Premier® network. The information below describes what you can expect depending on whether you receive services from a Delta Dental PPO dentist, a Delta Dental Premier dentist or if you visit an out-of-network dentist. You can choose any of these options.

Freedom to choose

Delta Dental gives you the freedom to visit the dentist of your choice and to select any dentist on a treatment-by-treatment basis. It is important to remember your out-of-pocket costs may vary depending on your choice. Both networks are available to you as a Delta Dental member.

How to find an in-network dentist

To find a current listing of Delta Dental dentist locations:

- Visit DeltaDentalMO.com, select “Find a Provider” and click “Find a Dentist.”
- Or, call **800-335-8266** for personal assistance.

Your dental network options

Delta Dental PPO dentists	You will usually pay less when you visit a Delta Dental PPO dentist.
Delta Dental Premier dentists	Premier dentists’ fees are usually slightly higher than those of Delta Dental PPO dentists.
Out-of-network dentists	Out-of-network dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit an out-of-network dentist.
