This is intended to be a summary only. If a discrepancy occurs the Summary Plan Document will govern. Please refer to your Summary Plan Description (SPD) for a more complete listing of services including plan limitations and exclusions. Orthodontic treatment in progress may be covered. Benefits provided by the prior carrier will be subtracted from the lifetime maximum available from Delta Dental.

Delta Dental's **MAXRollover** allows you to roll over a portion of your unused annual benefit maximum to the following year, allowing you to stretch your benefits further. Every participant - enrolled employees and dependents - individually qualifies for the program. Each participant has the potential to roll over and accumulate more funds as the years progress, up to the applicable rollover account limit.

Qualified claims

Covered dental claims for preventive, basic and major coverage levels will be considered qualified claims:

- **Qualified claims can be submitted by any provider. If all qualified claims are submitted by Delta Dental PPO™ providers, qualified participants will roll over an additional bonus amount.**

Maximum rollover potential

The plan's annual benefit maximum and participant's total qualified claims form the basis for the rollover program as outlined below:

Benefit maximum	Payment threshold	Rollover amount	Rollover bonus	Rollover account limit
If the plan's annual benefit maximum is:	And, if the participant's total qualified claims paid do not exceed: ¹	This amount will roll over to the next benefit period:	This additional bonus amount will roll over for qualified participants: ²	The total rollover amount cannot exceed this limit: ³
\$2,000	\$800	\$400	\$200	\$1,500

¹ A qualified claim is a claim for dental services covered under the preventive, basic or major coverage level and subject to the annual benefit maximum. Claims for orthodontic services or non-covered services are not considered qualifying claims.

² When the plan allows qualified claims to be submitted by any provider, a rollover amount is added when the requirements are met; an additional bonus amount will be added if all qualified claims are submitted by a Delta Dental PPO™ provider.

³ Any rollover and/or bonus amount will be accrued in a rollover account and available for use starting in the next benefit period. Each year, qualified participants may continue to add rollover amounts up to the rollover account limit.

Program eligibility

To be eligible for the **MAXRollover** program, participants must meet all of the following requirements:

- The participant must be enrolled for at least the last three months of the benefit period without a break in coverage.
- At least one qualified claim¹ must be submitted within the benefit period.
- Qualified claims paid within the benefit period must not exceed the payment threshold.

Save with a Delta Dental PPO™ dentist

Although the Delta Dental PPO™ plan allows you the freedom to visit any licensed dentist, you'll save more on your out-of-pocket costs when you visit a Delta Dental PPO™ dentist. The Delta Dental Premier® network also provides cost-saving features and is the next best option when you can't find a Delta Dental PPO™ dentist. The dentist you choose could affect your cost.

Most potential savings with Delta Dental PPO™ dentists

- When you visit your dentist, you should ask specifically if he or she is a contracted Delta Dental PPO™ dentist.
- Delta Dental PPO™ dentists agree to accept Delta Dental PPO™ contracted fees.
- You'll usually pay less when you visit a Delta Dental PPO™ dentist.

Find a Delta Dental PPO™ dentist

To find a current listing of Delta Dental PPO™ dentist locations:

- Visit DeltaDentalMO.com, select "Find a Provider" and click "Find a Dentist."
- Select "Delta Dental PPO" as your plan network.

Some savings with Delta Dental Premier® dentists

Premier dentists' contracted fees are usually slightly higher than those of Delta Dental PPO™ dentists.

Premier dentists will not bill you above their contracted fees, so you still receive some cost protections not available with an out-of-network dentist.

No savings with out-of-network dentists

Out-of-network dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a out-of-network dentist.

You are responsible for the difference between what Delta Dental pays and the dentist's fee.
